The Tenant Support Scheme aims to provide support to vulnerable tenants in need. We aim to assist individuals so that they can maintain their tenancy by developing their life skills so they can live independently in the community and avoid becoming homeless.

This service is funded by the Welsh Government through the Supporting People Programme.

## The Tenant Support Officer offers support with:

- Advice on budgeting and handling money
- Provide support to maintaining accommodation
- Provide support to increase and develop the skills necessary to enable individuals to maintain a tenancy
- Provide support to increase and develop life skills
- Provide assistance to understand rights and responsibilities
- Provide guidance and information on employment opportunities, education and training
- Assistance with completing forms and applications, claiming benefits
- Access to appropriate agencies

## Individuals eligible for support

- Tenants with debt problems
- New tenants who need help
- Individuals suffering from health problems

The scheme aims to ensure that tenants are treated with dignity and respect, and will have independence, choice and control over their own lives.

The Tenant Support Scheme aims to empower tenants and to encourage them to be able to do things for themselves. The service provides tenants with the necessary skills and confidence to enable them to carry out a successful tenancy and to live an independent life.

As well as providing the tenants with these skills, all service users are encouraged to do things for themselves where appropriate, and to take an active role in decision-making.
